

Dear Supporter of Northern Cal Ripken Baseball,

It is with much appreciation that I write to thank you for your support of the Northern Cal Ripken All-Star teams. With the rising costs associated with tournaments, travel, uniforms and other considerations, some kids have a tough time being able to participate. Because of your generosity some of our kids that were selected as an All-Star, yet had monetary concerns, were able to play because of you.

Your donation made a lot of kids happy this summer, for this we are extremely grateful!

Sincerely,

A handwritten signature in blue ink that reads "Tim Wasik".
